PLEASE CHOOSE BELOW WHAT YOU REQUIRE FOR YOUR SETUP:

55" HD Smart TV | HDMI Connection

VGA Connection | Sound Bar

SPECIFICATIONS:

Cinema Style - 40

Schoolroom - 12

U - Shape - 12

The Lapa is a U-shaped building with 2 side options to be used for functions.

The Lapa is located next to the Guesthouse with a lovely garden area.

It is ideal for small groups or meetings. There are 2 separate bathrooms for ladies and gents. The middle area, linking the two sides, works well for a food & drinks station.

conferencing facilities

The Miracle Hall is a decent sized hall with enough space for conferencing, functions and exhibitions. There are large barn doors on the one side, opening up into a courtyard, making it easily accessible for vehicles to enter.

The other side of the hall has 3 double doors opening up to the grass terrace with a lovely view of the Outeniqua Mountains. The Miracle Hall also has a foyer, leading into the hall with a fireplace to warm up cold winter days.

The Main Auditorium is our largest venue. It is magnificent with its high ceilings with 2 beautiful chandeliers. It is ideal for big functions with a foyer to use as a registration/welcoming area. There is also a fireplace in the entrance foyer for cold days. The Auditorium has side doors opening up to the grass terrace with a lovely view of the Outeniqua Mountains.
